

## **Dieter's Strawberry Cake**

*from Ann Jones*

1 Large Box Strawberry Jell-o (sugar free if you prefer)  
1 Large Angel Food Cake  
2 Cups Fresh Strawberries  
24 oz. Cool Whip (1 large & 1 small container)

Slice strawberries and sweeten with sugar or sugar substitute to taste (You can also use two large containers of frozen sweet strawberries.)

Mix Jell-o with 2 cups of hot water. When Jell-o is cool, add sweetened strawberries along with the juice.

Tear Angel Food cake into little pieces and place in a very large bowl. Add large container of Cool Whip, strawberries and most of the strawberry juice.

Mix all together and put into bundt or tube pan. Do not grease the pan.

Refrigerate overnight.

Invert onto plate and loosen with a hot wet towel.

Cover (frost) with the small container of Cool Whip.

Serve and enjoy!
