-

Directions:

1. Lightly spray your baking dish with cooking spray
2. Cut potatoes, line up in pan (see picture above)
3. Cut chicken breasts in half, place next to potatoes, down the center of the baking dish
4. Line green beans next to chicken
5. Slice butter and distribute evenly on top of potatoes, chicken and green beans
6. Sprinkle dry Italian dressing mix over top of the dish
7. Cover with foil and bake at 350 degrees for 45 minutes

We have this easy to prepare dish at least once a month, and sometimes more often. It's an easy to prepare, healthy meal that uses everyday ingredients. I found it on Pinterest several years ago and it's a good meal to quickly prepare and go sit and wait for it to cook while you relax after a tiring day. The clean-up is a snap, too. Try some other dry mixes, like ranch or lemon pepper for a variation. Enjoy!
